Type: talk

Forward production of heavy flavour hadrons in p-p collisions and intrinsic charm and bottom in proton

Friday, 24 September 2010 14:15 (25 minutes)

Primary author: Prof. LYKASOV, Gennady (Joint Institute for Nuclear Research, Dubna, Russia)

Co-authors: Dr ARTEMENKOV, Denis (Joint Institute for Nuclear Research, Dubna, Russia); Dr BEDNYAKOV, Vadim (Joint Institute for Nuclear Research, Dubna, Russia)

Presenter: Prof. LYKASOV, Gennady (Joint Institute for Nuclear Research, Dubna, Russia)

Session Classification: Forward Physics and Cosmic Rays

Track Classification: Forward Physics and Cosmic Rays
