

# Correlations in Partonic and Hadronic Interactions

Transverse Structure of the nucleon and  
QCD issues associated with the 3D structure  
Measurements and Global Analysis of  
the 3D PDFs  
Partonic Structure beyond Densities  
QCD in the Nuclear Environment

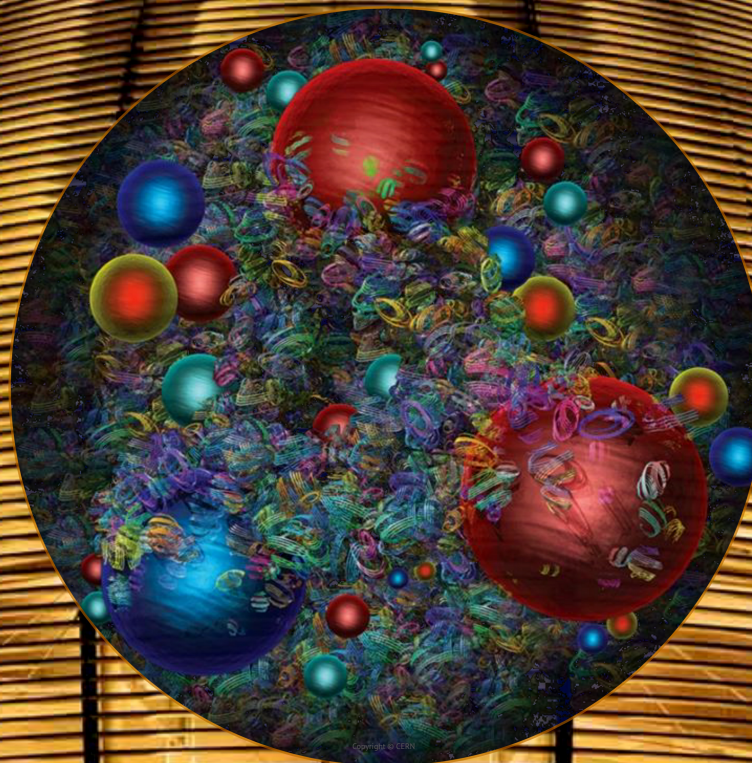

## Special sessions:

Tuesday, Feb. 04 - "AKM-70"

Thursday, Feb. 06 - "SJB-80"

sessions dedicated to  
Aram Kotzinian's 70<sup>th</sup> and  
Stan Brodsky's 80<sup>th</sup> birthdays

3 - 7 February, 2020  
CERN, Geneva  
Switzerland
